How to Use this Index

The Law Reporter Annual Index is designed to make your 1984 issues of the *ATLA Law Reporter* a reliable and accessible research tool. Here are a few things you should know to make the best use of your index:

General Index by Subject (page 3). The major subject headings in the General Index correspond to the areas of law cover in each issue of the *Law Reporter*:

Admiralty	Consumer Protection	Intentional Torts
Attorneys	Damages	Landlord-Tenant
Auto Accidents	Employee Health & Safety	Premises Liability
Aviation	Government Liability	Products Liability
Commercial Law	Insurance	Professional Malpractice
Constitutional Law	Railroads	Utilities

To locate a particular kind of case, first determine which of these areas your inquiry falls into. Entries within each subject include both factual and legal issues. The numbers following the entries are page numbers in Volumes 27 of the *Law Reporter*. **Products Liability (page 14)** and **Professional Malpractice, Medical (page 17)**, because of their length, are subdivided into separate lists of entries for factual issues and legal issues.

ATLA Criminal Reports Index (page 23). The Criminal Index occupies the middle four pages of this index. It is designed to be separated from the rest of the index by pulling it out from the staples and filed together with the monthly four-page editions of the *ATLA Criminal Reports*. Page number in the Criminal Index refer to *ATLA Criminal Reports* separate pagination.

Table of Cases. This table includes the most complete citation available as of Jan. 5, 1985. It also includes references to up-dates, announcing subsequent reversal, affirmance or settlement of cases.

Awards Index (page 44). Entries in this section will direct you to cases in the *Law Reporter* that contain an award of damages of a particular type of injury.

Wrongful Death Table (page 46). This table lists the wrongful death awards reported in Volume 27 of the *Law Reporter*.

To Obtain Further Information About a Case: The *Law Reporter* is not able to provide pleadings, transcripts or briefs except where noted in the "Offerings" column each month. The best source for additional information about a case is plaintiff's counsel. The name and city of the ATLA Member involved in a case is provided, where possible, at the end of our report of the case. Your ATLA Membership Directory will provide you with the complete address and phone number of any ATLA Members.

Back Issues: Back issues of the *Law Reporter* are available for \$5.00 each, postpaid. Please specify month or issue number.

Binders: Blue three-ring binders imprinted with the ATLA logo and "ATLA Law Reporter" for convenient storage of your issues and index are available for \$15.00, postpaid. Please specify the year desired.
